

OFFICIAL RULES

McDonald's® 2007/2008 Upper Deck Ice Heroes™ Card Game (the "Game")

IMPORTANT: IN ORDER TO BE DECLARED A WINNER IN THE GAME, A PARTICIPANT FIRST MUST CORRECTLY ANSWER A SKILL-TESTING QUESTION.

1. HOW TO OBTAIN GAME MATERIALS

NO PURCHASE NECESSARY to play the Game. Open to eligible residents of Canada ONLY.

Beginning on or about November 20, 2007, there are three ways to obtain a chance to receive an Official "Winner" Card to play the Game:

(a) each time you make the specified food purchase at a participating McDonald's restaurant (offer may vary at different participating McDonald's restaurants), you may purchase one or more pack(s) of hockey cards (a "Card Pack"), at the prices and up to the limited number of Card Packs set from time to time by each participating McDonald's restaurant per qualifying food purchase. You may find, included in a Card Pack, one Official "Winner" Card which may entitle you to receive one of the prizes described in Rule 5 below and listed on the Odds Chart in Rule 11 below (which lists prizes offered and chances of winning at the outset of the Game); or

(b) for a chance to obtain an Official "Winner" Card (while supplies last) without making the specified food purchase, mail, postage prepaid, a hand-printed request for a Card Pack together with a hand-printed self-addressed, envelope bearing full return postage to: The Upper Deck Co., Alternative Means of Entry Request, PO Box 27016 Lakeport PO, 600 Ontario St., St. Catharines, ON L2N 7P8 CANADA. NOTE: The above address is unable to accept deliveries made via courier or other delivery services that require a signature upon delivery. Only one request per outer envelope will be

accepted. Only one Card Pack will be supplied to each mail-in applicant, and no more than six Card Packs will be mailed to the same address. Any such mail-in request must be postmarked by the earlier of April 15, 2008, or the promotion end date (as defined in Rule 9 below); or

(c) at the sole option of McDonald's Restaurants of Canada Limited (the "Sponsor"), a limited number of Card Packs, up to a maximum of 20,000 Card Packs, may be distributed directly to members of the public for promotional purposes in certain markets in Canada prior to the commencement of the Game or during the Game.

In these Official Rules, a person who is eligible to participate in the Game (see Rule 7 below) is called a "participant".

See Rule 2 below for a description of the seeding of those Card Packs which contain an Official "Winner" Card among the Card Packs available for distribution at the outset of the Game.

2. SEEDING OF CARD PACKS WHICH CONTAIN AN OFFICIAL "WINNER" CARD

The total number of hockey cards available to be distributed to the public in accordance with the Official Rules for this Game is approximately 20,601,600. The total number of Card Packs available to be distributed to the public in accordance with the Official Rules for this Game is approximately 5,150,400 (including approximately 432 Card Packs for alternative means of entry). Four thousand (4,000) Card Packs contain an Official "Winner" Card. Each Card Pack which contains an Official "Winner" Card has been randomly inserted into the total of approximately 5,150,400 Card Packs available for

distribution in Canada at the outset of the Game. The Card Packs available for distribution in Canada at the outset of the Game are randomly inserted into cases which will contain approximately 600 Card Packs each. The cases of Card Packs are randomly distributed to participating McDonald's Restaurants.

3. HOW TO PLAY

Each Card Pack contains three (3) hockey cards and one (1) checklist card. You may get one (1) Official "Winner" Card which could entitle you to win, as indicated on the Official "Winner" Card, a specified NHL player's jersey hockey card, a specified NHL player's autographed hockey card, or a complete set of hockey cards (excluding prize cards).

You are eligible to win the prize indicated on an Official "Winner" Card if you are the lawful holder of the Official "Winner" Card and provided you comply in full with the provisions of these Official Rules, including correctly answering the skill-testing question which appears on the Official "Winner" Card.

IMPORTANT: A mathematical skill-testing question must be answered correctly by the participant, without assistance of any kind, whether mechanical, electronic or otherwise, before such participant can be declared a winner of any prize. You are not a winner of any prize until your Official "Winner" Card, including your correct answer to the skill-testing question, and your compliance in full with these Official Rules, have been verified.

4. HOW TO REDEEM

Each Official "Winner" Card can be identified by the words - Official "Winner" Card - appearing on the face of the Card. Each Official "Winner" Card also must meet the further specifications referred to in Rule 8 below.

A. If you receive an Official “Winner” Card, legibly print in ink all of the information requested on the Official “Winner” Card. Correctly answer the skill-testing question, which appears on the Official “Winner” Card, in the space provided for that purpose, sign your full legal signature in ink in the space provided on the Official “Winner” Card, and insert the completed Official “Winner” Card into an envelope.

Address the envelope to: The Upper Deck Company, PO Box 27016 Lakeport PO, 600 Ontario St., St. Catharines, ON L2N 7P8 CANADA (the “Verification Centre”), seal the envelope, and send it by mail bearing correct postage to that address for official verification and award of your prize. Registered mail with appropriate postal insurance is recommended. NOTE: The above address is unable to accept deliveries made via courier or other delivery services that require a signature upon delivery. *DO NOT SHOW OR GIVE ANY POTENTIALLY WINNING OFFICIAL “WINNER” CARD TO ANY McDonald’s EMPLOYEE. ONLY ONE PRIZE WILL BE AWARDED FOR EACH VERIFIED OFFICIAL “WINNER” CARD.*

B. REDEMPTION DEADLINE

ALL PROPERLY COMPLETED OFFICIAL “WINNER” CARDS MUST BE RECEIVED FOR VERIFICATION BY THE VERIFICATION CENTRE ON OR BEFORE APRIL 30, 2008. Any Official “Winner” Card received after April 30, 2008, at the sole option of Sponsor may be judged void and not eligible for a prize.

5. PRIZE DETAILS

The number of prizes available at the outset of the Game, along with the chances of winning each prize, are set out in the Prize and Odds Chart which appears as Rule 11 at the end of these Official Rules. The chances of winning stated in Rule 11 are those in effect at the outset of this Game. The number of prizes available to be won will decrease, and the chances of winning may change, as prizes are awarded.

Each prize consists of one of the following: a) a specified NHL player's authentic game-used jersey hockey card (a "Jersey Card"), featuring an actual piece of a jersey worn by the specified player during a National Hockey League game, b) a hockey card bearing an authentic autograph by the specified NHL player (an "Autographed Card"), as indicated on the Official Winner Card, or c) a complete set of hockey cards (excluding prize cards).

Note: None of these particular prizes has been offered to the public in any market in the past. Therefore, the approximate retail values set out below are estimates based upon the retail prices at which comparable cards have traded in the recent past in the North American card market. The two values given for each card are, respectively, the estimated price one could realize on the sale of the prize card on a public auction medium such as e-Bay, and the estimated price one would pay for the prize card at a traditional trading card retail outlet. The actual values will depend upon, and vary with, actual market conditions.

6. GENERAL CONDITIONS OF PARTICIPATION

The submission of Official "Winner" Cards is solely the responsibility of the participant. Each participant assumes all risk of loss, damage, destruction, delay and misdirection of Official "Winner" Cards. Sponsor will not be responsible for incomplete, erroneous, misdirected, late, illegible, postage-due or unpaid courier submissions of Official "Winner" Cards, which may be judged void. Proof of mailing to the Verification Centre of an Official "Winner" Card or any other document or thing does not constitute proof of delivery to or receipt by the Verification Centre. Official "Winner" Cards submitted

become the property of Sponsor and will not be returned. No cash alternative or substitution of any prize or prizes will be provided, except that the Sponsor, at its sole option, may substitute a prize of equal or greater value if a particular prize or prizes cannot be awarded as described due to unavailability or for any other reason.

By participating, participant agrees to abide by and be bound by these Official Rules. All decisions of the Verification Centre are final, binding and conclusive in all matters. Prizes will be awarded only if participant fully complies with these Official Rules. Participant waives the right to assert as a cost of winning any prize, any and all costs of submission, verification and redemption or travel to redeem said prize and any liability which might arise from redeeming or seeking to redeem said prize. Any applicable taxes on or related to prizes are the sole responsibility of prize winners. All dollar amounts are expressed in Canadian dollars.

Participant may be required, at the option of Sponsor, as a condition of winning a prize, to execute a declaration of eligibility and compliance with these Official Rules, a liability and publicity release, and any applicable forms required by tax authorities. Should a participant make any false statement in any declaration or other document referenced above, he/she will be required to promptly return to Sponsor, upon demand, his/her prize or, at Sponsor's option, the cash equivalent. By participating, participants who become winners release Sponsor, NHL Enterprises Inc./NHL Enterprises Canada Inc., National Hockey League Players Association, The Upper Deck Company, Inc., all of their respective franchisees, parents, affiliates, subsidiaries, and their respective officers, directors, and agents, including advertising and promotion agencies, from any and all liability of any nature whatsoever including, without limitation, personal injury, death and property damage due, in whole or in part and directly or indirectly, to or

arising out of participation in this Game or the redemption, receipt, use or misuse of any prize, and acknowledge that said parties have neither made, nor are in any manner liable for, any warranty, representation, or guarantee, expressed or implied, in fact or in law, relative to any prize, including but not limited to its approximate value, quality, condition or fitness. By submitting an Official "Winner" Card, participant agrees, should participant be declared a winner, to Sponsor's use of his/her name, address (city and province), statements, voice, photograph, videotape and/or other likeness, in perpetuity and in any medium (including the Internet) now known or hereafter devised, throughout the world, for advertising and publicity purposes in connection with this or similar future promotions and to make himself or herself available for and to participate in the production of such advertising, as required by the Sponsor, all without further compensation. The Sponsor will not engage in any correspondence or communication with anyone except a verified winner, or a verified winner's parent or legal guardian if a winner is a minor under the age of thirteen. The Sponsor may conduct a confidential background check of any participant who is a potential prize winner in order to confirm that participant's eligibility and, by participating in the Game, such participant hereby agrees to cooperate fully with Sponsor in that regard, without compensation. If, by reason of non-compliance by any participant with any part or parts of these Official Rules, such participant is disentitled from receiving or retaining a prize in the Game, that participant agrees to return to Sponsor, on demand and at his/her own cost, the prize or, at Sponsor's sole option, the value of the prize which has been awarded to him/her.

Subject to any governmental approval which may be required, the Sponsor reserves the right to terminate or amend this Game in any way, at any time, and without notice, should any factor interfere with the fair and proper conduct of this Game as contemplated by these Official Rules. Without limiting the foregoing, the Sponsor

reserves the right to terminate the Game, without prior notice, should errors in production, seeding or printing or any other cause or event whatsoever result in more than the stated number of prizes of any category being available or claimed, or both; and in such event, subject to legal requirements, the prizes not yet awarded will be awarded in a random drawing among all participants who have mailed or submitted potentially winning Official "Winner" Cards to the Verification Centre on or before the date the Game is terminated. Subject to the provisions of this Rule 6, only the prizes described and no more than the quantities of each prize set out in these Official Rules, are available to be awarded in this Game. It is the participant's responsibility to ensure that he/she has complied with the instructions as set out on his/her Official "Winner" Card and with all of the conditions contained in these Official Rules. Unawarded or unclaimed prizes shall not be awarded. If after reasonable attempts to award or deliver a prize, award or delivery, as the case may be, cannot be affected by the Sponsor, then the prize will be forfeited.

7. ELIGIBILITY

Participation is open only to residents of Canada. Prizes won by a minor under the age of thirteen will be awarded only in name of the minor's parent or legal representative, in trust for the minor. 8. VERIFICATION

All Official “Winner” Cards submitted to the Verification Centre for verification are subject to verification within 8 weeks from the date of receipt of Official “Winner” Card, or as soon after such 8-week period as is reasonably possible. Only one prize will be awarded per Official “Winner” Card. Any Official “Winner” Card is null and void and will be rejected: if it contains an incorrect answer to the skill-testing question; if it was not obtained through authorized, legitimate channels; if it is from another game; if it is less than an entire Official “Winner” Card; if all or any part is forged, counterfeited, illegible, mutilated, separated, divided, severed, or tampered with in any way (except for the full signature of the participant and completion of the requested information); or if it contains printing, typographical, mechanical or other errors. Official “Winner” Cards contain special, additional points of identification. Only Official “Winner” Cards featuring the McDonald’s Arches Logo and “2007” will be accepted for verification. Only one Card Pack will be supplied to each mail-in applicant, and no more than six Card Packs will be mailed to the same address.

*All chances of winning are stated as of the outset of the Game (see also “****” footnote below), have been rounded to the nearest whole number, have been calculated using standard statistical procedures, and represent the chances of winning when purchasing one Card Pack. The chance of obtaining an Official “Winner” Card, irrespective of player identity, is 1 in 1,288.

† The number of prizes stated represents the number of prizes available to be won at the outset of the Game. The number of prizes available to be won will diminish as prizes in the category are awarded.

‡ These prizes are described in further detail in Rule 5 above.

*** Prizes available to be won and chances of winning are stated as of the outset of the Game. Prizes available to be won will diminish and chances of winning may change as prizes are awarded. If the Game ends before all Card Packs have been distributed, the number of prizes available may be reduced and, accordingly, some prizes may no longer be awarded. The chances of winning stated reflect the chances of winning if all Card Packs have been distributed when the Game ends.
